Hi Nick,

Thanks for sending the draft. We would like to reserve a rebuttal report for Dr. Almeroth and added a sentence in the attached saying as much.

Aside from that edit, we are good with the proposed motion.

Best,
Betsy

Thanks, Betsy. We will get a DCO extension motion over to you as soon as possible. I'll also note that we may serve a very short supplement from Dr. Kramer, solely limited to Vantiva as with Mr. Dell's report. We will note that in the DCO motion just so the Court knows what is going on -- and we of course agree Charter is reserving the right to move to strike such a supplement after seeing it, the same as Charter is with respect to Mr. Dell's supplement, and Entropic is with respect to Mr. Bakewell's supplement.

We'll send the draft motion shortly.

Hi Betsy, thank you. We're fine with a commensurate extension for Mr. Bakewell's report as well. The 25th, however, would be two days (from the 21st), but only one day for Mr. Dell. Can we do the 22nd for Mr. Bakewell's supplement? Or in the alternative, the 19th for Mr. Dell and then the 25th for Mr. Bakewell, so the extensions are the same? Let me know what you think.

Nick,

We are fine with the extension for Mr. Dell's report, but that will also necessitate an extension for Mr. Bakewell's rebuttal, until September 25.

Please circulate a draft agreed motion to amend the docket control order reflecting the above today.

Best,
Betsy

Hi Betsy,

Of course. We also intend to serve a short supplemental report from at least Mr. Dell regarding yesterday's deposition of Vantiva. I know the parties already agreed to supplementation based on the late third-party depositions, but just wanted to flag that. I'll revert back shortly on a proposed date for that supplement but we're working to get that served as quickly as possible.
